WAILUKU, Dec. 14.-A well attended and unusually interesting meeting of the Chamber of Commerce was held last Wednesday afternoon at the rooms of the Board of Maui Supervisors. It was a long session and lots was accomplished. The first matter of hisiness was a communication from Secretary H. P. Wood, who proposed that a large hotel be built on the slopes of Haleakala for tourists and Island people, who might like to spend a portion of their vacation time in the Island. The scheme also took in a test house on the summit of the mountain. The matter was somewhat discussed. At last a commttee consisting of Hugh Howell, W. H. Ffeld, J. N. S Williams and W. O. Americans, Hawaiians, Porto Ricans and Japanese contributed to the municipal coffers in fines ranging from three to ten dollars. Where the money was not forthcoming, the defendant was invited to spend the holiday season as guests at Hotel Asch.

Alleged as having participated in a holdup in which a Chinese figured as a victim, Ben Bright, Kauwa and Eli are awaiting action by the prosecution upon a charge of assault. According to the story to z by the po-lice, the Chinaman was met by the trio, who proceeded to beat him up and then take all valuables from his person: Less than ten dollars in cash was removed.

In effecting the arrest of Bright, Deputy Kellett experienced a hard tussel before landing his man behind the bars. Bright is alleged to have sprung upon the officer, and he was only stopped in his intention of making good his escape by Kellett drawing a gun. The police department is working on the theory that the three men now implicated in the alleged holdup may also be the instigators of a series of other roberies which of late have demanded the attention of the officers.
